Are you one of the 90% of women wearing an ill-fitting bra?

Camille Murrain, owner of Sweet Cups Bra Supply, has been a professional bra-maker since 2011, and can show you how to sew your own *perfect* fitting bra!

See a variety of samples, learn the techniques, and shop!

Bra types

What are the parts of a bra and what does each do? Learn the differences in bra types and seaming.

Measuring

Watch a demo on the proper way to fit a wire and measure for a bra. Have an opportunity to try out measuring yourself.

Sewing those tricky parts

Watch demos of elastic application, sewing a gothic arch, attaching the wire casing and possibly more.

Pattern Changes

Make a self-sewn bra customized for you! Create a padded strap, shorten the back band, change strap locations and more!
